WARNING:

Petitioner/applicant is cautioned to avoid submitting personal information in documents filed in a patent application that may contribute to identity theft. Personal information such as social security numbers, bank account numbers, or credit card numbers (other than a check or credit card authorization form PTO-2038 submitted for payment purposes) is never required by the USPTO to support a petition or an application. If this type of personal information is included in documents submitted to the USPTO, petitioners/applicants should consider redacting such personal information from the documents before submitting them to the USPTO. Petitioner/applicant is advised that the record of a patent application is available to the public after publication of the application (unless a non-publication request in compliance with 37 CFR 1.213(a) is made in the application) or issuance of a patent. Furthermore, the record from an abandoned application may also be available to the public if the application is referenced in a published application or an issued patent (see 37 CFR 1.14). Checks and credit card authorization forms PTO-2038 submitted for payment purposes are not retained in the application file and

DOCUMENTS TIMELY FILED BUT NOT RECEIVED BY USPTO

Request for Reconsideration of the Holding of Abandonment - No Abandonment in Fact Summary of Request

Applicants request reconsideration and withdrawal of the abandonment of the present application, per MPEP 711.03. Since a reply was timely filed, there was no abandonment in fact.

Facts

The most recent Office Action was mailed August 25, 2005. A Combined Notice of Appeal from the Primary Examiner to the Board of Patent Appeals and Interferences & Petition for Extension of Time Under 37 CFR 1.136(a) (Small Entity) was filed by Applicants on January 23, 2006 in response to this Office Action. The Combined Notice of Appeal with Petition for Extension of Time was received by the USPTO on January 26, 2006. The shortened statutory period for Notice of Appeal (filed herewith) is three months from the receipt date of the Office Action, i.e., November 25, 2005, which is extendable for three additional months (i.e., up to February 25, 2006).

Applicants filed a Response to this Office Action in form of a Notice of Appeal on January 23, 2006, including the requisite fee for extension of time for two months. Thus, the Response was filed less than six months after the mailing date of the Office Action. Attached are copies of the Combined Notice of Appeal from the Primary Examiner to the Board of Patent Appeals and Interferences & Petition for Extension of Time Under 37 CFR 1.136(a) (Small Entity), and Return Receipt Postcard with USPTO stamp confirming receipt on January 26, 2006.

Nevertheless, a Notice of Abandonment was mailed March 8, 2006.

Applicants request that the Abandonment of the Application be withdrawn because there was no abandonment in fact. Applicants specifically request that the Application be considered as never abandoned, and the response filed on January 23, 2006 (with sufficient fees for extension of time) be accepted as timely filed.

Furthermore, Applicants respectfully request that upon review of this case and confirming validity of the above-captioned remarks, USPTO refund the petition fee of \$500.00.

(Please attach additional sheets if additional space is needed.)
